

WAREHOUSE IDENTIFICATION

Beam & Shelf Code Labelling

Beam & Shelf Code Labelling

Code labels produced to your specific requirements.

Available in self-adhesive for permanent solutions or magnetic for cold stores or where locations need to be moved. Barcodes, arrows and colours can be incorporated, printed with the message you want and how you want it.

Magnetic Racking Strip

The magnetic easy-wipe strip provides a fast and effective updating system for identifying product codes and stock level information, etc. Easily cut, use a wet-wipe pen on the "write on/wipe off" surface.

Location Markers

Ideal for use on steel surfaces these re-usable magnetic location markers are supplied in packs of single sizes. Use a wet-wipe marker pen to write on then wipe off, update and move when required.

Label Holders

Magnetic or self-adhesive label holders supplied from stock in pre-cut lengths. Special sizes can be supplied on request. Each holder is supplied with a white card insert and a clear plastic cover strip.

Ticket Holders

Easy Updating! These clear plastic holders with flexible pull-forward fronts allow easy loading for updating information. Barcodes can be scanned without removing the insert. Available with magnetic or self-adhesive fixing options, in lengths up to 3m.

Wire Shelving Clip Holder

Traditional magnetic or self-adhesive holders do not suit mesh shelving. This holder solves the problem with a quick and easy to use "clip-on" system. Holders are 43mm(h) x 75mm(w). Supplied with white card inserts.

Waste Management

Waste management problems are easily solved with the racksack. Suitable for most racking systems, racksack quickly fixes to the end of your racking frame. In a range of 14 designs, once full of your waste or recyclables the racksack can be quickly and easily emptied. Supplied with 'S' hook fixings.

Dimensions:
1000mm high x 920mm wide

Numbers & Letters - Magnetic & Self Adhesive

Magnetic and self-adhesive characters are printed black on yellow or white delivering high visibility identification. Simple to apply and remove without leaving residue. Adhesive available in a variety of sizes in single character sheets or in full A-Z and 0-9 packs. Magnetic in mixed sheets.

Aisle & Bay Markers

Clear bay and aisle marking is essential in a modern warehouse. Our off the shelf markers provide instant identification. Bespoke markers can be quickly produced to your specific requirements.

Weight Load Notices

A range of tough durable PVC signs manufactured in line with the latest Health & Safety recommendations. Choice of five different designs from pallet racking to mezzanine flooring. Signs can be overprinted with your corporate logo, address and contact details.

Magnetic Self-adhesive Strip

Our magnetic strip is available in three widths backed with a strong permanent adhesive. Makes anything magnetic!

Ticket Pouches

A range of self-adhesive or magnetic ticket pouches. Designed for use on racking and shelving. These highly visible pouches allow bar codes to be scanned without removing the insert.

Floor Marking & Identification

High visibility alpha numeric, graphic or directional self-adhesive floor markers. Designed to withstand the traffic in a modern warehouse.

Document Pockets

Industrial quality pockets for use with A3 down to A7 sized inserts. Vertical and horizontal (*other sizes available*). Choice of magnetic, self adhesive, tie on and clip on fixing options.
